Goulburn Valley Education Scholarship

## Fundraising Luncheon

**"Empowering young women through education"**

WOW Women and the Community Fund Goulburn Valley are continuing their partnership in helping our young regional women pursue their dream of tertiary education, through the **Liftoff Scholarship Fundraising luncheon**.

Help us make this year the biggest it's ever been so we can help young women, believe, achieve and succeed. This event has successfully provided seven scholarships over the last three years, it is our passion and belief that only through education can we encourage, inspire, strengthen and nurture our next generation to create the ultimate females of the future.

This is an incredible opportunity to network with your local community of women by showing your support for your community and the young women who will shape our future.
